love like a road that never ends
how it leads me back again
to heartache i'll never understand
darling i put my heart upon the shelf
till the monent was right and I tell myself
Chorus: Next time I fall in love
I'll know better what to do.
Next time I fall in love ooh
The next time I fall in love
The next time I fall in love, it will be with you.
Now, as I look into your eyes,
Well, I wonder if it's wise
To hold you, like I've wanted to before.
Tonight, I was thinking that you might
Be the one who breathes life in this heart of mine.
Chorus
Next time I'm gonna follow through.
And if it drives me crazy,
I will know better why the next time I try.
Chorus
