You really took me
By surprise
You're someone I've needed
For a lifetime
Your heart was
Cleverly disguised
And it didn't look that way
In my mind
Tell me
How could it be
I was the last to know
Darlin', I couldn't read
What was in your mind
To turn around and
Love me
CHORUS
With no Explanation
I gave you
Everything that I have
I didn't know
That you would take it
With sweet consideration
And after all that
We've been through
I can't believe it's true
Until I hear you say
Ooh
I know now, now, now
Ah
CHORUS
