If i attend church all day sunday, come back home and
raise

(spoken) i think i feel hur or shall i go a little further, do
a little more?

Ain't nobody's bizness what i do

If one day i have ham and bacon, and the next day,
ain't nothin' shakin'

No it ain't nobody's bizness what i do

Ain't nobody's bizness from earlies 60's

If me and my baby fuss and fight

Well, and the next minute we're all right

It ain't nobody's bizness what i do

If one day we have ham and bacon

And the next day ain't nothing shakin'

I tell you it ain't nobody's bizness what i do

Oh, i'm three, three times seven

Oh, that makes twenty-one

Ah, that ain't nobody's bizness what i do

Oh, if i attend church all day sunday

And cabaret all day monday

It ain't nobody's bizness what i do

If i stay out all night

Spending my money i tell you that's all right

Because it ain't nobody's bizness what i do

It ain't nobody's bizness what i do
