Because you're mine  
The brightest star i see  
Looks down, my love, and envies me  
Because you're mine, because you're mine

Because you're mine  
The breeze that hurries by  
Becomes a melody and why?  
Because you're mine, because you're mine

I only know for as long as i may live  
I'll only live for the kiss that you alone may give me

And when we kiss  
That isn't thunder, dear  
It's only my poor heart you hear and its applause  
Because you're mine

instrumental interlude

I only know for as long as i may live  
I'll only live for the kiss that you alone may give me

And when we kiss  
That isn't thunder, dear  
It's only my poor heart you hear and its applause  
Because you're mine
