I gots to gets me some love  
Cos it gets me loved  
Gots to gets me some hole  
Like it gets me holed  
I'm your greatest, oh hero  
I'm your heroine your absolute zero

Got the wind on my back  
Like a good Frank Black  
Gots to gets me some speed  
Like the lord Lou Reed  
I'm your greatest, oh hard on  
I'm your heroine your absolute starf\*ck

I'm bionic you're bionic  
I'm bionic you're bionic  
I'm bionic you're so much more  
There's fire if you want it

I gots to gets me some cool (i'm losing my cool)  
Gots to gets me some love (cos it keeps me above)  
I'm your greatest, oh hero  
I'm your heroine your absolute starf\*ck

I'm bionic you're bionic  
I'm bionic you're bionic  
I'm bionic you're so much more  
There's fire if you want it

I'm bionic you're bionic  
I'm bionic you're bionic  
I'm bionic you're so much more  
There's fire if you....
