Hey Mr. DJ this sounds fantastic
This champion sound is gonna kick your bucket
This is not boombastic cuz it's not plastic
You can ask the ghetto youth
They already know the lyrics

Mira como empieza la fiesta con mi champion sound
Como una metralleta-ta disparo mi sabor
Mis letras son la balas que agujeran al cabrÃ³n
Si quieren pelear en ganga aqui tengo mi escuadrÃ³n
This is the champion sound for the community
The room is filled up with smoke coming from my Sensi
Maximum respect to the New York Posse
Mad Lion, Rocker T & my teacher Jamalski

Sale mi voz como bala de caÃ±Ã³n
Muchos imitadores pero no pueden copiar mi son
DF, Caracas, Buenos Aires y Colon
Y todos disfrutan con mi Champion Sound

My wireless is connected to the....
The echo-chamber is connected to the...
The turntables are connected to the...
The New York posse is connected to the champion
sound

Sexy Gal in Poonani prints smoking ensalada
If you keep moving like this se me para la macana
Sweet pum pum juice like honey in my banana
Sweet loving raggamuffin from night to la manana!

El pana Rico improvisando botÃ³ la bola
Por eso llegÃ³ Blanquito y le rompio su diploma
Y la zona 7 si quieren pelea
Aqui llega Blanquito y se los come con jalea

Yo no soy campeÃ³n, tampoco soy the best
Solo digo lo que vivo, simplemente como lo ves
Hablo con sinceridad al derecho y al revez
Pero con mi champion sound nadie puede joder

If you think you gonna mash up the town
Me have to tell you
We gonna kick you with the champion sound

Originator, regulator, mic annihilator,
When you broadcast the demonstration, no one can be
greater!
