I took a choo-choo-choo-choo fast as i could take a
choo-choo,
I've come a long-long-long-long way to take you in my
arms.
And now it's your first move to prove that you've been
true,
Come to baby, do.

I've been away-way-way-way-way beyond the blue
horizon,
I hope that no-no-no-no-no one else is on your mind.
So pucker up, my sweet, and meet your waterloo,
Come to baby, do.

Stop me from guessing,
T'ain't no time to tease.
Stop all your messin',
And put your beggin' baby at ease.

I wanna love-love-love you just the way i wanna love
you,
I'm gonna try-try-try to try to make you understand.
When all is said and done, the one for me is you.
Come to baby, do.

~interlude~

Come to baby, do.

I've come a long, long way to kiss ya
You'll never know how much i missed ya.
Stop your teasin' --
Come to baby, do.
