Girl, you're my sunshine  
You chase away the raindrops  
Make it all worthwhile  
Make all the pain stop  
Just like a river you keep love flowing  
Don't let our world stop, keep it growing

Oh i like you just the way you are  
Honey, don't change on me  
Don't change on me  
Please don't change on me  
Girl, you're my lucky star  
Don't change on me  
Don't change on me  
(please) don't ever change

I used to wonder where would i find  
Some kind of happiness and peace of mind  
I was living in darkness  
Oh but then you came  
Bringing in the sunlight  
And easing my pain

Oh i like you just the way you are  
Honey, don't change on me  
Don't change on me  
Please don't change on me  
Girl, you're my lucky star  
Don't change on me  
Don't change on me  
(please) don't ever change

If there's a heaven  
Then this is my prayer  
Lord knows i want to know you  
If we ever should meet there  
And then forever we'll walk together  
Nothing but sunshine  
And no more stormy weather

Oh i like you just the way you are

Honey, don't change on me  
Don't change on me  
Please don't change on me  
Girl, you're my lucky star  
Don't change on me  
Don't change on me  
(please) don't ever change
