Faith can move mountains
Darling, you will see
I can move mountains
If you have faith in me

Faith can work magic
This i find with you
Yours is the magic
To make my wishes come true

So tell me again you love me
Kiss me and i'll be strong
What couldn't i do when i know that you
Are here to help me along?

Yes, faith can move mountains
Darling, you will see
I can move mountains
If you have faith in me

instrumental interlude

So tell me again you love me
Kiss me and i'll be strong
What couldn't i do when i know that you
Are here to help me along?

Yes, faith can move mountains
Darling, you will see
I can move mountains
If you have faith in me

Yes, i can move mountains
If you have faith in me
