I don't know what love is  
But i think i must have it bad  
Yeah, you know i don't know what love is people  
Whoah, but i think i must have it bad  
Yeah, you know some people say love is just a gamble  
But whatever it is, it's enough to drive old b. mad

They say love is just a proposition people  
It's strictly a game of give and take  
Yeah, they tell me love, love, love is a proposition  
people  
They say it's strictly a game of give and take  
Whoah, but my woman took all i gave her  
And i'm here to tell to you that love proposition stuff's a  
fake

Oh, i don't claim to be no gambler people  
Oh, i don't' know much about the dice  
Yes, i don't claim to be no gambler people  
I tell you i don't know much about the dice  
Oh, but i wait and my baby knows  
She knows i'm not the kind who's gonna crap out twice

Yes, she left me early this mornin'  
I don't know the reason why  
She just got up early this mornin'  
Didn't even say good-bye

But i love you, i love you, you know i love you baby  
Although you made me cry  
Yes, there are a lot of women who want me  
Oh, but how you satisfy
