I'm going home to see my baby, i'm going home  
I'm going home to see my baby, i'm going home  
I'm gonna take her in my arms  
I'm gonna hold her all night long  
I'm going home to see my baby, i'm going home

So now, hurry up mister man  
Load just as fast as you can  
The plane is already late  
I'm gonna get home as soon as i can  
I wanted to take a bus  
But they said the road was bad  
I started to take a train but a freight was all they had

I'm going home to see my baby, i'm going home  
I'm going home to see my baby, i'm going home  
I'm gonna take her in my arms  
I'm gonna hold her all night long  
I'm going home to see my baby, i'm going home

If there is something wrong  
Want to you please let me know  
Because my baby needs me  
And i really really must go  
How bad i wanna see my woman  
I guess you'll never know  
I would start tryin' to walk  
But walkin' is too slow

I'm going home to see my baby, i'm going home  
I'm going home to see my baby, i'm going home  
I'm gonna take her in my arms  
I'm gonna hold her all night long  
I'm going home to see my baby, i'm going home
