Back...in the tomb, lucy is sitting on the floor  
I...am, i am standind by the door  
The door to freedom...the door that i shut so close  
And as i take another look at my mind  
I seem to think the sun has arrived...no

Mckenzie you better realize, now it's just you and i

Back...against the wall  
Mckenzie's on the stone cold floor  
Hands...tied together, nowhere to go for mr. mayor

The door to freedom...the door that i shut so close  
And as i take another look at my mind  
I seem to think the sun has arrived

This court is now in session

You stand accused of child abuse  
Of stealing innocence and freedom too

I am the only judge, i am the only jury  
I am your lawyer too, so tell me what to do

What's it gonna be?  
Are you guilty or are you guilty!!!  
Yes, you just go ahead and cry

Back...against the wall  
Mckenzie's on the stone cold floor  
Hands...tied together, nowhere to go for mr. mayor

The door to freedom...the door that i shut so close  
And as i take another look at my mind  
I seem to think the sun has arrived

But oh no...there is no sun here  
There's only darkness... ..

I, the jury and the judge  
Find you guilty of stealing the innocence of a child

And therefore we sentence you to die slowly, die  
Die die die die die die die.....
