I'd like to love you everyday,
If i may (if i may).
And dream dreams of you every night,
If i might (if i might).

And if i may, i'd like to say
I wish that you were mine.
If i had you, all i would do
Is adore you all the time.

I'd like to tell you of your charms everyday,
If i may (if i may).
I'd like to hold you in my arms every night,
If i might (if i might).

You're the object of my affections,
And if you have no objections,
I'd like to love you night and day,
If i may.

(i'd like to love you everyday,
If i may.
And dream dreams of you every night,
If i might.)

(and if i may, i'd like to say
I wish that you were mine.
If i had you, all i would do
Is adore you all the time.)

I'd like to tell you of your charms everyday,
If i may (if i may).
I'd like to hold you in my arms every night,
If i might (if i might).

You're the object of my affections,
And if you have no objections,
I'd like to love you night and day,
If i may.
