You say you're leaving, you've shattered my dreams  
All of our plans dear, forgotten it seems  
Yes, it had to happen  
I'm not surprised, but i'll, i'll survive

Your friends have shown you a much better way  
All of my loving you baby, all of those years, ended  
today  
Yes, you go on darlin'  
I'll dry my eyes, but i'll, i'll survive

Go on! may god bless you  
It was fun. while it was fun  
Baby, i hate to lose you  
I say i hate to lose you baby  
It's all over! what's done is done

Hey! you go on darlin', seek your fortune and fame  
All your good luck or bad luck  
Your friends must take the blame  
Oh! i can't beg you no more baby  
I've got too much pride, but i'll, i'll survive

Oh, go on! may god bless you  
Oh, it was fun. while it was fun  
Oh baby, i hate to lose you  
I say i hate to lose you baby  
It's all over! what's done is done

Hey! you go on baby, seek your fortune and fame  
All your good good luck or bad luck  
Friends must take the blame  
Oh! i can't beg you no more  
I've got too much pride, but i'll, i'll survive

Oh! i'll, i'll survive  
Baby, i'll survive
