I'm gonna move, baby, way out on the outskirts of town  
I'm gonna move way out on the outskirts of town  
I don't want nobody who's always hanging around

I'm gonna tell you baby, we're gonna move away from  
here  
I don't want no ice man, i'm gonna get me a frigidaire  
When we move way out on the outskirts of town  
I don't want nobody who's always hanging around

I'm gonna bring my own groceries, gonna bring them  
everyday  
That'll stop the grocery boy, and keep him away

When we move way out on the outskirts of town  
I don't need nobody always hanging around  
It may seem funny honey, as funny as funny can be  
But if we have any children, i want them all to look like  
me  
When we move way out on the outskirts of town  
I don't want nobody always hanging around
