I've been watching lucy all week  
I've been watching her at school  
I know her schedule, i know it well  
I know exactly when she's leaving  
Oh lucy take my hand,  
How can i make you understand  
I'm not a stranger, i am a friend  
I'm gonna take you home to daddy...later

Such beautiful eyes you have, such beautiful hair  
You must be at least seven years of age,  
Am i right now?  
As if i really care

Cause you're his daughter, his little daughter  
The one i'm supposed to have hurt  
But i could never, i could never  
I could never hurt a little girl like you

Oh lucy take my hand,  
How can i make you understand  
I'm not a stranger, i am a friend  
I'm gonna take you home to daddy...later

Such beautiful eyes you have, such beautiful hair  
You must be at least seven years of age  
But who cares, 'cause you're coming with me now!

Come on little girl...why are you making such a fuss  
Come on little girl...come on it is time

I've got real dolls on my wall, i made them myself  
And you can play with them and play with them  
And play with them  
Until your daddy comes to get you

Oh lucy take my hand,  
How can i make you understand  
I'm not a stranger, i am a friend  
I'm gonna take you home to daddy...later

I i i and you will soon be home now  
I i i and you are gonna play then  
I i i and you you you you  
We we we we, we're gonna have some fun

Sweet graveyard here we come  
Sweet graveyard here we come  
Sweet graveyard here we come  
Sweet graveyard
