Madeleine is running away from herself  
Afraid of shame, she's crying out for help  
To be clean again  
Guitar solo ANDY  
No one cared and no one ever will  
Her feelings were not shared, she wants to break the  
spell  
and she's going

Into the convent, a smile on her face  
Into the darkness to hide all her sins  
Wondering what could go wrong in this place

Father David: "Welcome Sister, I'm Your chaplain  
Down on Your knees and pray if You please  
in This convent I'm Your master  
Kiss My cross now dearest Sister  
In the Name of ... "

Guitar solo ANDY  
Madeleine is running away from herself  
As father David said: "At communion You must be  
undressed"  
Why did she go

Into the convent, a smile on her face  
Into the darkness to hide all her sins  
Wondering what could go wrong in this place  
Guitar solo ANDY  
Father David: "Come along Sister Madeleine  
Unfold Your wildest dreams, it's time to join and sing  
Let the feast begin"

That night she awoke to find "The Eye"  
On the stone cold floor Why, She never ever would  
knoe why  
But she put it on  
Guitar solo PETE  
Next day father David passed away  
At communion time  
Why, he never ever would know why  
But he looked at "The Eye"

The eye of the necklace is laking it's toll  
Inside the convent a soul will rejoice
