I was just now thinking about
The jaws of life - they chew you up
Spit you right back into the frying pan

And how life unwinds
Around and around and up and down
You think you're fine but then
You're back in the frying pan
Into the frying pan

And how life unwinds
Around and around and up and down
You think you're fine but then
You're back in the frying pan
Into the frying pan

And how life unwinds
You think you're fine but then
I was just now thinking about
The jaws of life - they chew you up
Spit you right back into the frying pan
Frying pan
The frying pan
Frying pan
Frying pan
Frying pan
Frying pan
