Yeah, you got me feelin' those butterflies inside  
In your locker I would hide  
The truth -- it's only you I see  
And you're just what I need  
I'll bring you flowers every day  
Just to roll you in the hay  
Well I'm feelin' fine, I'm right on time  
I know I'll get my way....

And you're just what I need  
And you're just what I need  
Not everything works as it seems  
Is that so hard to believe?

So I went down to the record store  
Picked my head up off the floor  
The truth, its only you I see  
And you're just what I need  
And if its my world that you fear  
Let me make this very clear  
Well I'm feelin' fine, I'm right on time  
I know I will get my way...  
And you're just what I need  
And you're just what I need  
Not everything works as it seems  
Is that so hard to believe?

Hah...woo ha!!...

I'll bring you flowers every day  
Just to roll you in the hay  
And I'm feelin' fine, I'm right on time  
I know I'll get my way....  
And you're just what I need  
And you're just what I need  
Not everything works as it seems  
Is that so hard to believe?

And you're just what I need  
And you're just what I need  
Not everything works as it seems

Is that so hard to believe?  
Yeah....
