\* this song was originally a st. ide's malt liquor commercial  
It's appearance on promotional st. ide's mixtapes caused  
Public outcry, and both the tape and the commercial were pulled

[king tee]

Now step up, to the king tee's beer stand  
And let me know what beer is grand  
No no wait, i got somebody that might convince ya  
Hold up hold up wait

[ice cube]

Once again it's on, i'm goin out the front do'  
Ice cube in the glass house, headed for the sto'  
To get a beer that's better than the rest  
The s-t-period-i-d-e-to-the-s  
And it'll put hair on your chest  
In the black can, so won'tcha grab a six pack and  
Get your girl in the mood quicker  
Get your jimmy thicker, with st. ide's malt liquor

[king tee]

Hold up hold up  
So when you get a forty, roll to the spot  
Hug and kiss your girl and screw the cap off the top  
And get a taste of the beer that makes you tingle  
And just remember that jingle

[singers]

Here's something that sweepin the nation by surprise  
It's that fabulous malt liquor they call st. ide's
