I look for the signs, I look for the symptoms
I look for the slight calm before the storm
I feel the silence, I feel the signals
I feel the strain tension in my head
Well, what more can be said?

Not a model man, not a savior or a saint
Imperfect in a word, make no mistake
But I give you everything I have
Take me as I am

I look for the signs, look for the symptoms
Look for the slight calm before the storm
Well, I feel the silence, I feel the signals
I feel the strain tension in my head
Well, what more can be said?

Not a model man, not a savior or a saint
Imperfect in a word, make no mistake
But I give you everything I have
Take me as I am

Not a model man, not a savior or a saint
Imperfect in a word, make no mistake
But I give you everything I have
Take me as I am

I look for the signs
