So far away, doesn't anybody stay in one place
anymore?

It would be so fine to see your face at my door
Doesn't help to know you're just time away

Long ago I reached for you and there you stood
Holding you again could only do me good
How I wish I could, but you're so far away

One more song about movin' along the highway
Can't say much of anything that's new
If I could only work this life out my way
I'd rather spend it bein' close to you.

But you're so far away, doesn't anybody stay in one
place any more
It would be so fine to see your face at my door
Doesn't help to know you're so far away

Travelin' around sure gets me down and lonely
Nothin' else to do but close my mind
I sure do hope the road don't come to own me
There's so many dreams
I've yet to find

But your so far away
Doesn't anybody stay in one place anymore
It would be so fine to see your face at my door
And it doesn't help to know youre so far away...
