Today's special is Memphis Soul Stew  
We sell so much of this, people wonder what we put in  
it  
We gonna tell you right now  
Give me about a half a teacup of bass  
(bass riff)  
Now I need a pound of fatback drums  
(drum riff)  
Now give me 4 tablespoons of boiling Memphis guitars  
This goin' taste alright  
(guitar riff)  
Now just a little pinch of organ  
(organ riff)  
Now give me a half a pint of horn  
(sax riff)  
Place on the burner and bring to a boil  
That's it, that's it, that's it right there.  
Now beat, well.  
(all instrumental hell breaks loose)
