Today my mother will return to my house
And all the things I've done
I've done to make her feel at home again
Oh, it's all part of an act
She can stay as long as I keep the pact

There's someone ringing
At my front door bell
I see my mother there
Standing with the man
I wanna send to hell

Oh King, see who came along
Ma, you don't understand
It's all part of the deal
There's no way I can let him inside
You see, Amon belongs to them

You go ahead and have a talk with the boy, my dear
You better bring this along
Something might be going wrong inside
Come on, mother, let me show you the house
Come on, mother, there's a lot to discuss

Oh King, please let him in
Ma, you don't understand
It's all part of the deal
There's no way I can let him inside
You see, Amon belongs to them

Now let me tell you
What I've seen in the house lately
Oh, I've seen your daughter here
Coming and going
When the dark is near

You must never ever tell anyone what I've told
I have heard them singing too
Hey mother, what's that for?
Oh, I feel the needle piercing my skin
And I'm falling, yes, I'm falling down
