[La Rocque / Diamond]

[Solo theme : Andy]

I need light, I need light to find my way around this
house
I'm turning on the chandelier
Nice bright light for me to see

Little footsteps coming from the hallway
Oh? No? The lights are flickering
Oh? No? The lights are out

In the black of night, oh it's so hard to see
In the black of night, I see the moon
In the black of night, oh the moon is full

[Solo : Andy ? Mike ? Andy ? Mike]

Ha-ha? In the black of night, oh it's so hard to see
In the black of night, I see the moon
In the black of night, oh the moon is full

My black cat Magic
Mesmerized by something in the hallway
Who's to say what's living in the Darkness?
Who is to say if a black cat can sense it?

[Solo theme : Andy]

I need light, I need light to find my way around this
house
Oh? There's a candle
Just a little light? So I can see again

Little footsteps coming from the hallway
Auu? Auu? Something hit me on the head
Auu? Auu? There it is again

In the black of night, oh it's so hard to see
In the black of night, I see the moon
In the black of night, oh the moon is full

In the black of night, oh it's so hard to see

[Solo : Andy ? Mike]
