Why do I feel this way?  
Deep in my mind I know that I should stay away  
Anyway I go, down below  
Down to the cellar where the little girl just might show

The dark is so much darker here  
The candlelight can't break the sensation of fear  
I see a trail of blood  
Leading down into the dark where no one should go

I shouldn't be down here, not tonight  
Evil is in the air tonight  
I shouldn't be down here, not tonight  
Everything is closing in on me

Here I am in the dark, there's no return  
Then in a halo of light  
I see a shape, I know it's her, oh

So many black little wings meet me as I enter the cellar  
So many black little wings, black little wings on my face  
Oh, no, no, no, I cannot see, I cannot see what's going  
on  
I hear her breathe, I hear her wheeze  
And then she points her little finger right at me

Mine, mine, mine, mine  
Give me your soul please  
Mine, mine, mine, mine  
Stay away from me

Mine, mine, mine, mine  
Give me your soul please  
Mine, mine, mine, mine  
Oh, no, no, no

I, I've got to get away  
Her piercing eyes will burn deep into my mind  
I slowly turn around  
I can feel her closing in and then I'm falling down

The dark is so much darker than before

The candle in my hand doesn't burn anymore  
I think I'm losing my mind  
As I'm barely crawling out, out of this place

I shouldn't be down there, not tonight  
Evil is in the air tonight  
I shouldn't be down there, not tonight  
I can't believe I made it out of there
