Heaven, or Hell
Heaven, or Hell
Heaven, or Hell

Where are we now?
What is this place?

Don't you remember little brother?
We died, we're dead

I wonder what are they going to do to me
Am I going to hell?
I don't know but that's what they say
I will try to find you a normal soul
listen do you hear that organ play?

I must go to where the organ plays
I must go, I can never stay

Now to his house I go
Don't let anyone see your bloody dress
