(Music and lyrics by King Diamond)

Solo : La Rocque

The witching hour has arrived here too soon

I know that all my dreams are inside this room

Oh... yeah, it's all in this tune

Dreams in the night, falling like rain

Dreams in the night, they drive me insane

They cannot wait until I turn off the light

When I'm asleep they've got the key to my mind

Oh... yeah, can't leave them behind

Dreams in the night, falling like rain

Dreams in the night, they drive me insane

Dreams in the night

Solo : Simonsen

Yeah, yeah, give me another dream now

The spider's lullabye is all they can sing

As they inject their poison into my brain

Oh ... yeah, they're calling my name

Dreams in the night, falling like rain

Dreams in the night, they drive me insane

Give me another dream now

Yeah, yeah, yeah, give me another dream now

Rainbows and waterfalls

Little girls are swimming in a pond of gold

I'm growing old

I'm growing old

Sweet blue eyes of innocence

Begging me...

To follow them to the other side

Ah.. they're growing horns !!!

Solo : La Rocque

Dreams in the night, falling like rain

Dreams in the night, they drive me insane

Dreams in the night

Let me out of these dreams ... dreams ... dreams

Let me out of these dreams ... dreams ... dreams

Let me out of these dreams ... dreams ... dreams
