It's so cold inside
On this summer's night
Black clouds in the sky
Dancing before my eyes
I'm losin' track of time

It's the eye of the witch
It's the eye of the witch, yeah

Thunder bring the rain
Penetrate my brain
I am no more the same
That special night has come again
Losin' track of time

It's the eye of the witch, yeah
The eye, the eye, the eye

Another glass of wine
To heat the blood of mine
And as I look inside
The necklace called 'The Eye'
I'm goin' back in time

It's the eye of the witch
It's the eye of the witch, yeah
The eye, the eye, the eye
