The girl in the bloody dress
Appearing right before my eyes
The girl in the bloody dress
Crossing over from the other side
I see the moon in the black of night
I see her dirty face oh
The little girl in the bloody dress
Closer, and closer
I feel her eyes in my soul
Looking around, seeing all I have done
All I have done with my life
The girl in the bloody dress
I know why she's here tonight
The girl in the bloody dress
Looking for something deep inside my mind
I see the moon in the black of night
I see her dirty face oh
The little girl in the bloody dress
Closer, and closer
I feel her eyes in my soul
Looking around, seeing all I have done
All I have done with my life
"Do not be afraid
There won't be any pain
I need your soul."
No, no, no
My soul is full... OF SIN!
The girl in the bloody dress
She's hiding her hands in the dark
The girl in the bloody dress
Carrying the devil's mark
I see the moon in the black of night
I see her dirty face oh
The little girl in the bloody dress
Closer, and closer
I can feel her hands on my own
Holding them down
They are so full of blood
Her brother's blood
And my soul is no good at all
You've got to move on now
You've got to move on before the dawn is here

I can feel her hands on my own
Holding them down
They are so full of blood
Her brother's blood... Red...
"I know I let my brother down...
To Hell
He must go"
No, no, no
You still have time
Tick tock
