I've been watching Lucy all week
I've been watching her at school
I know her schedule, I know it well
I know exactly when she's leaving

Oh Lucy, take my hand
How can I make you understand?
I'm not a stranger, I am a friend
I'm gonna take you home to daddy later

Such beautiful eyes you have
Oh, such beautiful hair
You must be at least seven years of age, am I right
now?
As if I really care

'Cause you're his daughter, his little daughter
The one I'm supposed to have hurt
But I could never, I could never
I could never hurt a little girl like you

Oh Lucy, take my hand
How can I make you understand?
I'm not a stranger, I am a friend
I'm gonna take you home to daddy later

Such beautiful eyes you have
Such beautiful hair
You must be at least seven years of age
But who cares 'cause you're coming with me

Come on little girl
Why are you making such a fuss?
Come on little girl
Come on, it is time

I got real dolls on my wall, I made them myself
And you can play with them
And play with them and play with them
Until your daddy comes to get you

Oh Lucy, take my hand

How can I make you understand?
I'm not a stranger, I am a friend
I'm gonna take you home to daddy later

I, I, I, I and you can still be home now
I, I, I, I and you are gonna play there
I, I, I, I, you, you, you, you, we, we, we, we
We're gonna have some fun, yeah

Sweet graveyard, here we come
Sweet graveyard, here we come
Sweet graveyard, here we come
Sweet graveyard
