The sun has risen, just above the trees
The birds are singing, it's just like a dream
What a perfect morning it could have been
Salem's in the kitchen and that's sin

Eggs for three and a little tea
Mixed with the graveyard dirt from yesterday

Anybody eating Salem's a la carte today
Should be taken ill and waste away

You used to be so beautiful, but now you're gonna die
You're gonna die

You used to be so beautiful, but now you're gonna die,
die
Both of you are gonna die, die, die
Both of you are gonna die, die, die

Salem's walking up the stairs to the second floor
Silver tray in hand, he knocking at the door

You used to be so beautiful, but now you're gonna die
You're gonna die

You used to be so beautiful, but now you're gonna die,
die
Both of you are gonna die, die, die
Both of you are gonna die

In a fever, sick as hell
David's got a snake bite and all is well
Salem thinks to himself

One down, two to go
Oh Madame, he's got the flu

One down, two to go
Oh Madame, he's got the flu

The problem is that Sarah's morning sick again
That pregnant woman, always something wrong

You used to be so beautiful, but now you're gonna die
You're gonna die

You used to be so beautiful, but now you're gonna die,
die
Sarah die, Sarah die, die, die
Sarah die, Sarah die, goodbye
