"Possession"

On the very next morning
When the mist was eaten away by the sun
Miriam grew hour by hour
And Jonathan he cried
He knew the ghost had been telling the truth
So this was 9
The pregnancy would not last overnight

Oh she started singing
A lullaby, rocking the cradle again
And then she said
"I'm having your baby my love, love"
But it wasn't love, oh no
She was possessed, and he knew

"I will get what is rightfully mine"

Speaking with different tongues
Miriam was eaten alive from inside
Again she said
"I'm having your baby my love, love"
But it wasn't love, oh no
She was possessed
Possessed!
