Lucy, it's time for bed now, and you need your rest  
So lie down in your coffin dear and sleep tight  
I'll wake you when Daddy's here, alright?

No, no, d-d-don't cry, d-d-don't cry girl  
Little girl from head to toe  
Deep into the ground you go, down, down

Sleep tight little baby  
Sleep tight below the ground  
Sleep tight little baby  
Nowhere to run around

Oh, the worms, oh, the worms  
Is that your Daddy? Your Daddy

Sleep tight little baby  
Sleep tight below the ground  
Sleep tight little baby  
Nowhere to run around

Oh, the worms, oh, the worms  
Is that your Daddy? Your Daddy, Daddy

And as I'm waiting by the cemetery gates  
For her father to show  
Something's pounding at my head  
It's, it's like I, I, I can still hear her screaming

Oh Lucy, I'm doing all this for you  
Oh Lucy, I didn't mean to, I didn't want to  
But you've got to

Sleep tight little baby  
Sleep tight below the ground  
Sleep tight little baby  
Nowhere to run around

Oh, the worms, oh, the worms  
Is that your Daddy? Your Daddy

So you came at last

Well, let me see your heart  
Let me see your face  
You, son of a bitch

I see a baby crying, I see a little tear  
Oh yeah, I know you're trying  
But you can't stop the fear, Daddy

If you ever wanna see your little girl again  
You better do as I say  
Dear, Mr. Mayor, welcome to my humble tomb  
Come inside, you know you have to
