

King Diamond "Tea"

On the following friday as I turned out
the light
Grandma' came and knocked at My
door
"Wake up King, wake up My dear
I am gonna show You about the house
of Amon"
It is time for tea, it is time again
"Even Your mother is present
We made her sleep in My rocking
chair"
At first I felt really scared but there
was no reason to
As I saw the knife sneaking out from
Grandmother's dress
Then it cut a tiny wound in My
mother's little hand
It is time for tea, it is time again
Blood was running into the tea pot,
then I heard "THEM" laugh
"A bit of this in a cup of tea, is what it
takes to set "THEM" free

You will hear "THEM" telling stories
from far beyond this earth"
What I saw and what I heard made me
want to stay and learn
I really hope this dream will never
end, it's hard to describe the kind of
feeling that went on in My mind
A paradise
Hearing "THEIR" stories and feeling
"THEIR" warmth
We laughed with tears in our eyes
From the first cup of tea, to the last
drop of blood
Nothing seemed to matter at all
anymore
My Mother? She didn't exist to me,
Oh I felt so heavenly
It is time for tea, it is time again
