Where am i? what am I doing here?
In this God forsaken graveyard
Yeah...that's what I'm doing...i remember now
This is my new home
And they will never find me here... they will never -
never never never
Never find me out here
Because because i-i'm out I'm out here
Hahahaha..
I - I - I like it out out here I - I - I it's - it's nice and-and
nice and
Nice and nice and
And I like it I like it I like it out here I -
Oh my head my head it hurts
Oh it hurts...
