(Music by King Diamond)

My Mother is entering My dream now  
She's wearing a wedding dress  
Something's wrong with the way she walks the aisle  
I think it's her legs  
Suddenly there is someone else beside her  
That man I recognize  
The Doctor intends to marry Mother  
It's got to be stopped  
Now what have I done  
My Mother's on the floor and the Doctor's gone  
Everything is wrong  
And as I keep the axe I wonder what's to come  
I'm caught within a dream there's no way out  
I can't escape  
If only I could see the light of day  
I might escape the dream  
The wedding dream...Oh the dream  
Now everything turns to darkness  
Deep within I feel like I'm going blind  
There is a light at the end of this starless nightmare  
Someone's calling, guiding me back inside...The  
dream...No  
#\*

Get away from him Mother  
You better stop kissing, 'cause he's an enemy  
Take a look at his hand  
He's got the key to my house, the Doctor is the devil  
I'm caught within a dream there's no way out  
I can't escape  
If only I could see the light of day  
I might escape the dream  
The wedding dream...Oh the dream  
#\*  
Dream...the wedding dream...Oh the dream  
Now everything turns to darkness  
Deep within I feel like I'm going blind  
There is a light at the end of this starless nightmare  
Someone's screaming: "Help me please" And it's Me  
At sunrise I woke up in a sweat  
The nightmare was gone

The dream I was sent is fading slowly  
I do not understand
