Morning came and so did they
Flying questions from the police
I'm waiting here in ambulance
For Dr. Landau

To return and tell me
Why they're taking me so far away
I did what I did and I'm glad I did
'Cos I could have been the
I could have been the next in line

Nobody found a trace of Missy
I'd be the last to tell them anyway
How could I ever, ever explain?
Now I hear them again, singin'

Twilight
(Symphony)
Twilight
(Aaa)
I hear them again, singin'
Twilight
(Symphony)
Twilight
(Aaa)

Grandma' was dead with an open neck
Blood still runnin' from her open mouth
I knew they would blame it
They would blame it, all on me
How could I ever, ever explain?

Now I hear them again, singin'
Twilight
(Symphony)
Twilight
(Aaa)
I hear them again, singin'
Twilight
(Symphony)
Twilight
(Aaa)

Dr. Landau returned
And I told him the story
Are you mad or just insane?
I tried anyway
You can take him away now
The boy has lost his mind
Oh, no, no

I haven't seen my mother
Since they took me away
And Dr. Landau wouldn't tell me
He wouldn't tell me anything
Oh, no, no
Ohh, I'm back on the outside

Time has caught up with me
And I must leave for the old house
Yes I must leave now
Grandma I'm coming
I'm coming home now
Oh, I'm coming home now
