Say a little for you,say a little prayer for you

From the moment mi wake up  
Before mi put on mi make up  
Mi say a little prayer for you

While combing mi hair now  
Mi a wonder what dress me wear now  
Mi say a little prayer for you

CHORUS:  
Forever and ever  
You'll stay in my heart and I'll love you  
Forever and ever  
We never will part how I'll love you  
Together together  
That's how it should be  
Without you would only be heartbreak for me

Mi run for the bus love  
Mi ride and mi think about us love  
Mi say a little prayer for you

At work mi just take time  
And all through mi coffe break time  
Mi say a little prayer for you

CHORUS

Say a little prayer for you,mi a go say  
a little prayer for you

My darling believe me,for me  
there is no one but you  
Say you'll love me too.

CHORUS(twice0  
REPEAT CHORUS OUTS
