I watch you as you sleep.  
I think about tomorrow  
And pray you'll never go  
Somewhere you couldn't follow  
Young as we are now.  
We won't live forever, sad but true  
If you went away  
I'd still be loving you.  
Still b wanting you.  
Looking in your eyes  
I see our children's children  
Sure as the sun will rise.  
Together we shall see them  
But if this can not be  
Time won't change

the way I feel, it's true.  
If only you knew  
I'd still be loving you.  
Still b wanting you.  
Even if you weren't mine  
U know I couldn't love you better  
And even if you were dying  
I wouldn't care, I'll be there  
For always.  
Still be loving you.  
Still b wanting you.
