Woman don't run away
Baby don't ya go astray
Please don't do me
Ahh, tell me that you're gonna stay
'Cause baby I love you
Can't you see that I need you
You talk so fancy
Your kisses taste like candy

That is why
I'll be lost if you leave me
It will tear my poor heart to pieces
Baby my world will crumble right down
Do you expect me to accept this much hurt
Well I'm beggin' down on my knees
Little darlin' please don't leave

Woah baby
Woman don't go astray
Please don't do me that way
Just tell me that you're gonna stay
Ah baby I love ya
Can't you see that I need ya
Life's no good here without ya
Girl I'm crazy about ya
I think I'll say it again
Crazy about ya

That is why
I'll be lost if you leave me
It will tear my poor heart to pieces
Honey my world will crumble right down to dirt
Do you expect me to accept this much hurt
Well I'm beggin' down on my knees
Little darlin' please don't leave me

Don't leave me, please
I'm beggin', please don't leave me
I'm beggin' down on my knees
Little darlin'
