I need you  
Cha-Cha-Cha-Cha  
That's what I want  
Cha-Cha-Chiki-Chi-Cha-Cha  
Cha-Cha-Chiki-Chi-Cha-Cha, uh-huh  
I want you  
Cha-Cha-Cha-Cha  
That's what I want  
Cha-Cha-Chiki-Chi-Cha-Cha  
Ah girl  
Cha-Cha-Chiki-Chi-Cha-Cha, uh-huh  
It's the C to the H-A, C-H-A  
On the freeway speeding in the CLK  
Got a party out in Cali on the second and third  
House of blues bad news from the second we merge  
I take it you heard, getting at me till the second we  
splurge  
On my nerves, purve from lie  
Peeping curves and bottles  
You fellas is hot trying to get a rise and why  
They eyeing Cha  
These broads ain't understanding why, they like

I need you  
Cha-Cha-Cha-Cha  
That's what I want  
Cha-Cha-Chiki-Chi-Cha-Cha  
Cha-Cha-Chiki-Chi-Cha-Cha, uh-huh  
I want you  
Cha-Cha-Cha-Cha  
That's what I want  
Cha-Cha-Chiki-Chi-Cha-Cha  
Ah girl  
Cha-Cha-Chiki-Chi-Cha-Cha, uh-huh

Ladies I'mma tell y'all something  
Cha ain't the one for confronting  
Cause all that name calling ain't gonna leave y'all  
with nothing  
Hard to comprehend, then you must don't  
understand  
Pardon me when you need to talk to your man

Iâ€™m on the road too much  
To hear that he saying, she say  
Niggas playa hating trying to catch me up on three way  
I tried to give him leeway, but he ainâ€™t wanna to see  
that  
Told him put down the crying, he didnâ€™t even wanna  
do that  
Believe that in concerns where confessions is at  
Donâ€™t get mad baby boy I just addressing the facts  
Lesser than that, get sent to where my sessions is at  
See yâ€™all the match and with me is where he got too  
attach  
A thorough bread turn heads  
So you better be careful who you spitz at  
Cause if she like me  
You ainâ€™t never gonna get theses gifts back  
Theyâ€™re tame and I canâ€™t help the way they clutch to  
me and lust for me  
They like she too much for me

I need you  
Cha-Cha-Cha-Cha  
Thatâ€™s what I want  
Cha-Cha-Chiki-Chi-Cha-Cha  
Cha-Cha-Chi-Cha-Cha  
I want you  
Cha-Cha-Cha-Cha  
Thatâ€™s what I want  
Cha-Cha-Chiki-Chi-Cha-Cha  
Ah girl  
Cha-Cha-Chiki-Chi-Cha-Cha

She baby boy youâ€™s just a gym shoe nigga  
I spent you nigga  
Only time I call is when I rent you nigga  
Broad thing ainâ€™t really nothing against you nigga  
And the small things is really why Iâ€™m with you nigga  
And itâ€™s worse I ainâ€™t got the kind of time you thirst  
I donâ€™t curse but any minute Iâ€™mma let one burst  
Know how much one broad get if she spit one verse  
So we sit and converse, let em know these hits come  
first  
Used to chickens sitting around smoking drough with  
you  
What I look like a wife getting blown with you?  
And pulling hair, feet bare, fighting over you  
Playing on other chickâ€™s phones like Iâ€™m told they do  
Iâ€™m a broad I donâ€™t key you like them â€“ do  
Peeps handle how they supposed to, put holes in you  
Itâ€™s respect and I canâ€™t help it if they cheat on you, be  
leaving you

Peep the hook and yo believe me boo

I need you  
Cha-Cha-Cha-Cha  
That's what I want  
Cha-Cha-Chiki-Chi-Cha-Cha
