Can't give you love
That's just not there
Or even say it's for you
I really care

Your eyes
I see
Begin to smart
Yes the truth often hurts a heart

The girl I love
She laughed with me
When we walked and kissed
I felt so free

Then she turned
And said
We'd better part
Yes the truth often hurts a heart

You love me more than I love you
That's something that I've had said to me
It's the way of love they blindly say
But only time consoles the misery

I never thought I'd be unkind
And I can see
That you
That you're really mine

So it's hard
For me
To break apart
Yes the truth often hurts a heart

You love me more than I love you
That's something that I've had said to me
It's the way of love they blindly say
But only time consoles the misery

I never thought I'd be unkind

And I can see
That you
That you're really mine

So it's hard
For me
To break apart
Yes the truth often hurts a heart
Yes the truth often hurts a heart
