King Kayvan
Q-wreck

Rap pop has gayed
My ears up
Hip hop was betrayed
so heres a
Retaliation
Confiscation
Musical inebriation

Verse

Sometimes I wonder why God made things this way
This way
If we dont change we will regret it today
this day

I know the bubble is about to pop
In the drop, i dont really listen to hip hop
I wonder how these Nosa Costra AKA fake names
got in the game

MTV blows, it never plays music videos
Lady Gaga a gay man or really hetero

So many problems
So many texts
So addicted to facebook
No time for sex

No time for sex
No time for sex

No time for sex
No time for sex

No time No time
No No

Chorus
Life is a bitch

So slap the hoe
Life is a bitch
So slap the hoe

I dont play that shit
All my friends know

Do the Chris Brown
Do the Chris Brown
Do the Chris Brown
Do the Chris Brown

Go Go Go Go

Do the Chris Brown
Do the Chris Brown

Verse

Question:
How you expect to visualize
Shakira's theighs Alysha's eyes and j lo's booty

Of the internet
And I dont even have a crown

Up down Up down Up down

On the ground
