Now that I got your attention  
Gimme some of your time  
Cut my wrist on paper  
Every hook every line

My beat sets me apart  
My tune is dramatic  
My looks are Pacific  
My roots are Atlantic

The DMV of life  
Consensus says gloomy  
If you can't feel my vision  
Sue me and my roomy

Need something to protect  
Otherwise what is mine?  
Don't second guess this rhyme  
Aint waiting up in that line

Everybody said goodbye  
Once or a couple times  
Sometimes they gone for good  
Sometimes alive

If a hater got their clutches  
On your riches and they bitchin better get

Up out that kitchen givem stitches with  
conviction

Do or die is what u missing  
I don't care if you don't listen  
If u compromise my mission  
Draw the line sand I'm kickin

Wake up wake up wake up  
I'm so tired of waiting  
For us to make a move

CHORUS

I don't wait for no one  
You already know  
I don't got the patience cuz  
A line moves too slow

All they preach is fear  
To distract us from the grind  
So resentment fills my mind  
I aint waitin in a long ass line

I aint waitin in a long ass line  
I aint waitin like the dmv  
People waste my time  
So resentment fills my mind  
Better give me what is mine  
I aint waiting in a long ass line

## VERSE 2

If girls are a dime a dozen  
Why when I spend twelve dimes  
I always end up with nothin  
Women they waste my time

You should know by now  
What you rooting for  
Can't make up your mind though  
Betta get to jukin ho

The DMV of life  
Leaves us disappointed  
If you ID the pain  
Overcome, don't join it

My mind is a life sentence  
Call it lil boosie  
My mind stuck in the essence  
Why God would choose me

What's gone is gone  
What's wrong is wrong  
What I don't know  
Is why & how long

If lie to my advantage  
Come correct another vantage  
Should I leave or should I stab it  
Am I meek or am I lavish

The more I drink  
More I'm savage

My circle will be outlandish  
If I can't eat got to grab it  
Decision of circumstances

Wake up wake up wake up  
I'm so tired of waiting  
For us to make a move

#### CHORUS

I don't wait for no one  
You already know  
I don't got the patience cuz  
A line moves too slow

All they preach is fear  
To distract us from the grind  
So resentment fills my mind  
I aint waitin in a long ass line

I aint waitin in a long ass line  
I aint waitin like the dmv  
People waste my time  
So resentment fills my mind  
Better give me what is mine  
I aint waiting in a long ass line

#### Verse 3

They don't want me as a feature  
They afraid of verbal muscle  
It's like I pull the heater  
When I rap about my hustle

I sound condescending  
But my friends say I'm too humble  
People pass me every mic  
Cuz they know I don't fumble

I resemble 50 when  
I be talking too much shiiit  
I say what I want to  
All the haters need to siiit

All the questions  
All the rumors man  
Just let a brother spit  
Dr. dre is on my diiick  
Cuz I made another hiit

I don't fear opinions

I just walk through opposition  
When these bitches play position  
I put them on the petition

I don't trick  
I just grow  
I don't snitch  
Let 'em go

Slap a bitch  
Fuck no hoe  
Waste time  
I gotta go

If you fuckin with my paper  
Then you already know

When they turn around  
what goes around  
the knife will  
push in slow

Wake up wake up wake up  
I'm so tired of waiting  
For us to make a move

Chorus:  
I don't wait for no one  
You already know  
I don't got the patience cuz  
A line moves too slow

All they preach is fear  
To distract us from the grind  
So resentment fills my mind  
I aint waitin in a long ass line

I aint waitin in a long ass line  
I aint waitin like the dmv  
People waste my time  
So resentment fills my mind  
Better give me what is mine  
I aint waiting in a long ass line

I don't wait for no one  
You already know  
I don't got the patience cuz  
A line moves too slow

All they preach is fear  
To distract us from the grind

So resentment fills my mind  
I aint waitin in a long ass line

I aint waitin in a long ass line  
I aint waitin like the dmv  
People waste my time  
So resentment fills my mind  
Better give me what is mine  
I aint waiting in a long ass line
