Can't get no sleep becoming faithless
Shorty
50 fails deep
Die tryin copy paste it

Spies on the low
Cold as they play it
Amuse my mind open minded while I erase it

Dream killers
Go west or else they find you
Dream killers
West I said is final

Life is just a dream
No matter what they say
It's drifting me away
It's drifting me a

CHORUS

I hope life isn't one big joke
Because I sure as hell don't get it
I sure as hell don't get it

VERSE 2

Same song and dance
Kim thinks that's doo doo

Every class I cudi
Tried somethin nunu
So I put the T.I. 83 top back
Got a good feeling cuz my windows pitch black

The mic carried me away
It turns me on
Don't be a pussy
I know u hate this part

It isn't what we see

It isn't what we say
Life is like a dream
It's drifting me away

CHORUS

I hope life isn't one big joke
Because I sure as hell don't get it
I sure as hell don't get it

VERSE 3 / Bridge

Dream killers
Go west or else they find you
Dream killers
West I said is final

The hurricane chris crossed
Credentials rick rossed
When opinion is the boss
Your dreams become the cost

CHORUS

I hope life isn't one big joke
Because I sure as hell don't get it
I sure as hell don't get it
