### Verse 1

Im kinda in a hurry  
Dont waste my time  
Never too in a hurry  
To learn my lines

A few lines take you  
To some place special  
Bring you in take a seat  
Set you str8 no dental

They Talking about how they push crack crazy  
They more miss daisy than Steve Tracy  
Little house on the prairie  
Im more King than Larry  
Rap should be scary, fuck these fairies

Get tatted up  
demi lovato  
Exaggerate the brovado  
Bullshittin is the motto

But I dont need to fall into the hype  
Just take 1 look at my life

Guns, drugs, money, cars and women  
My felonies tell you  
I have no limits  
My scars compell you  
I have a witness  
The struggle is what made hip hop the business

Chorus:

The conversation leads to wide bends and dead ends  
Wide bends and dead ends  
Through the struggle  
You can see the light  
The struggle brought us\  
here tonight  
Here tonight

But the conversation leads to wide bends and dead

ends  
Wide bends and dead ends  
Through the struggle  
You can see the light  
Thats why we here tonight  
Through struggle we dont fear the night

Verse 2  
I think that I found the light  
Goes outta sight  
I drink about it that aint right  
Every night

Bitches piss me off  
Make me soft  
Havent made it back to the loft  
Because she left me here alone  
Fuck my phone  
My voice has an angry tone  
Reapers throne  
I dont fear the stone  
Ill never fear a stone

So I think about my past  
I lament that I sat on the other side of that glass  
But I never let it last  
When I have a blast  
I remember what I learned  
Loyalty first  
Questions later  
Dont ever second guess second nature  
Never do no man dirty  
And no bitch a favor

They ask me whats my flavor

Chorus:  
The conversation leads to wide bends and dead ends  
Wide bends and dead ends  
Through the struggle  
You can see the light  
The struggle brought us\  
here tonight  
Here tonight

But the conversation leads to wide bends and dead  
ends  
Wide bends and dead ends  
Through the struggle  
You can see the light  
Thats why we here tonight

Through struggle we dont fear the night

The conversation leads to wide bends and dead ends

Wide bends and dead ends

Through the struggle

You can see the light

The struggle brought us\

here tonight

Here tonight

But the conversation leads to wide bends and dead  
ends

Wide bends and dead ends

Through the struggle

You can see the light

Thats why we here tonight

Through struggle we dont fear the night
