First the big blue sky you see,
I love you like I love her.
Come again with me when the night is starry over,
Be it night or day,
Won't you hear me when I say,
I'll love you like I love her.

another,
That's where my dreams still rest,
I'll love you like I love her.
Sail with me the mother earth with mere sail, oars and
rudder,
And when we've seen the world,
It's secrets are all unfurled,
I'll love you like I love her.

Taking pictures of what life has to offer you,
Green grass growing at your feet,
In a spot that was made for two,
