"Speak Through Me"

How can I stand myself?
The person I see in me.
Denying my resemblance to,
Everything I refuse to be.

Speak through me.
Speak through me.

Kind of you to carry me.
But, I have two feet of my own.
The proverbs tattletale.
Skipping many a stepping stone.

Speak through me.
Speak through me.

Talking to myself again.
Can't explain to you why.
Talking to myself again.
Can't explain to you why.

She oh, she, only she knows,
To speak through me.

Speak through me.
What I hear before you say.
Speak through me
Not for the mercy of crowds
Speak through me.

She oh, she, only she knows,
To speak through me.
