"Time Is Out"

Ain't gonna waste no time,
Pacing 'round the floor.
'cause my life is getting better,
Since you hit the door.
I didn't know you weren't worth,
The time that I spent.
I've wasted enough time,
Wondering were the memories went.

Time is out for wasting time.
Gonna find me another.

You change your mind,
And you always do.
Well, I'm sick of your mind, baby,
And I'm damn sure sick of you.

When the breaks ain't good,
You wonder what went wrong.
You're gonna wake one day and find our silver spoon is
gone.

Time is out for wasting time.
